The Danbury combines open living spaces with flexible rooms designed to support the way life changes over time. A bright family room, connected kitchen and dining area, and versatile upper-level spaces give this home a comfortable flow for both everyday living and entertaining.

Key Features

- **Main Floor Comfort:** A relax room and pocket office provide convenient spaces for quiet time, work, or study.
- **Open Living Areas:** The family room flows naturally into the dining area and kitchen for easy gathering and entertaining.
- **Flexible Upper Level:** Three bedrooms and a large loft provide options for bedrooms, hobbies, work, or additional living …

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
