The Logan is a welcoming ranch-style home designed around comfort, flexibility, and everyday living. Its open-concept layout brings the kitchen, dining, and living spaces together, while thoughtful features throughout make the home easy to enjoy.

Key Features

- **Open Living Areas:** A bright, connected main living area creates an inviting space for everyday life and entertaining.
- **Main-Level Living**: Two bedrooms are located on the main level, including a private owner's suite.
- **Well-Appointed Kitchen:** Features a spacious center island, quartz countertops, walk-in pantry, stainless steel appliances, and luxury vinyl plank flooring throughout the main living areas.
- **Three-Car Garage:** Added space for …

All square footage is approximate. Renderings are artist's conceptions and may vary slightly from the actual home. Homes may be built in reverse of plans shown, depending on site conditions. Minor architectural changes may be made occasionally at the option of the builder. Please contact your Sales Consultant for details.
